

United States Department of State

Washington, D.C. 20520

FEB 13 2002

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting herewith certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction described in the attached certification involves the hardware, technical data and defense services for four 60-meter Ambassador MKIII Fast Missile Craft for the Egyptian Navy.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DTC 116-01

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
